PROFILE SUMMARY

With over 1 year of experience as a Front End Developer, I have spearheaded numerous client-side web application projects at Gomium IT Solutions. My expertise in HTML5 and CSS3 has allowed me to develop visually appealing and responsive websites. I am adept at utilizing tools such as JIRA, GITHUB, Bit Bucket, Wordpress to streamline project management and collaborate effectively with cross-functional teams. As a skilled professional, I am proficient in MS Office applications, particularly Word and Excel, and possess excellent technical and web content writing, keyword research, google webmaster tool, Chatgpt, data entry, teaching, and typing skills. I am seeking new opportunities to leverage my technical skills and contribute to the success of innovative projects.
